

2 v 2 WALL PASS

- Organization:** Set up game with eight players in an area 20x20 yards. 2v2 in the area and the other four players each stand on the corner of the area.
- Structure:** Play starts with one corner player who passes the ball to one of the teams. Each team must pass at least once before playing to one of the corner target men within marked areas. If opponents win the ball, they must do the same. Each successful target pass scores one point.
- Procedures:** Each successful wall pass scores 5 points. Corner player returns pass to team playing ball to them with only two touches. Game is played for two minutes, then players switch.
