

## Wall Pass Long Ball

**Organization:** Divide the players into groups of four with a ball.

**Structure:** Each pair works in a 12x12-yard square 20-yards apart.

**Procedures:** The pairs take turns playing one-touch flighted balls from one box to the other. Each turn consists of the back player receiving the ball and playing a wall pass with their teammate before serving a driven ball to the other square. One-touch limit.
