

Hello Whatcom County Families,

We would like to encourage you to consider **WCYSA Select Program** for your player this year.

WCYSA Select Program is designed for players and families who can't commit to the time and financial commitment of WFC Rangers or those that don't make WFC Rangers but still want a higher level of competition than the recreational program offers. WCYSA Select is also a pathway to WFC Rangers Premier as players develop their skills. See the graphic below to compare program options and determine whether WCYSA Select is the best fit for your family and player.
